

## Sport Premium Proposals

2020/2021

### Kexborough Primary School

At Kexborough Primary School we believe PE & Sport plays an important role in every pupil's education, with the potential to change young people's lives for the better.

Kexborough Primary School acknowledges the contribution of PE to the health and well-being of its children. We also recognise that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement. The Sport Premium funding is allowing us to develop a sustainable improvement in teacher confidence. Regular staff training opportunities are provided for teachers and teaching assistants (TAs) to keep them abreast of new initiatives.

### Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2019. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £500 per pupil.

<b>Estimated Total amount of Sport Premium Grant 2020/21</b>	<b>£17710</b>
--	---------------

### What does the Sport Premium mean for my School?

*'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).*

At Kexborough Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

<b>Physical Education:</b>	
<b>Raising standards of all our children in Physical education</b>	
<b>Objectives</b>	<b>Outcomes</b>
To provide high quality teaching of PE in school by increasing subject knowledge.	- Staff delivering high quality PE lessons
Provide Cover to release staff for CPD	- CPD for teachers in school
<b>Healthy Active Lifestyles:</b>	
<b>Ensuring all our children have access to regular exercise</b>	
<b>Objectives</b>	<b>Outcomes</b>
Increase in delivery of diverse sports to broaden opportunities given to pupils Encourage inactive children to take part in physical activity number and breadth of lunchtime and after school clubs	All children have opportunity to take part in 'new' types of sports. Increase levels of fitness in children

Purchase new and replace old equipment

Teachers and children have access to high quality equipment which enables improved value of lessons

### Competitive School Sport:

#### Increasing pupils' participation in extra- curricular sport

Objectives	Outcomes
To increase the amount of competitive sport opportunities for pupils	<ul style="list-style-type: none"> <li>- A school competition calendar developed with the School Games organiser</li> <li>- Ensure all children participate in at least one event throughout the year</li> </ul>

Outline of Spending	Cost	Reason for Spending	Impact
Quality inter school competition, engaging pupils of all ability levels and interests. The option to enter a high number different sports and events each Half term.	£3400	Children would have an opportunity to sample and improve in different sports with coaches and trainee coaches from different sporting backgrounds with excellent facilities	Children have been able to participate in a range of activities. Due to COVID – 19 this was severely restricted and the vast majority of this was in class bubbles.
Contribution towards cost of in-house sports coach to provide quality PE lessons and after school clubs	£6000	<p>The employment of a Sports Coordinator ensures the sustainability of sports provision in school and improves the fitness of all children in school</p> <p>To ensure that children have the opportunity to participate in out of school activities to aid confidence and behaviour.</p>	<p>All children who attended school during COV 19 restrictions have had access to high quality PE teaching. This has helped children to develop and we have been able to push the higher ability children and also offer ideas to help the LA children with a range of differentiated activities.</p> <p>Not all lessons have been able to be completed due to Covid 19.</p>
PE Staff Training	£1000	<p>Improve the provision of PE. Provide CPD opportunities for all staff. To develop PE provision within school.</p>	Not been completed due to Covid 19.

Subsidising transport to inter school competitions	£1000	To ensure that all children have the opportunity of travelling to events out of school.	Not been completed due to Covid 19.
Providing PE kits for all children in school	£700	To ensure all children have a uniform PE kit in school.	Children have been given their own PE kit. This allows the opportunity for all children to take part in PE. There is also no expectation on parents to provide kit when they may not be able to financially provide this. This will ensure that all children do not miss out due to not having a PE kit. In addition to this, there will not be any children who feel bullied as they do not have the newest or the most fashionable kits as all children will be wearing the exact same. Finally, as we provide PE kits, we are able to group children into team colours. This will help within PE lessons as these colours can split children into teams which can be used for different skills activities.
Purchase of 'Moki' bands	£2500	To encourage movement and fitness levels	Due to COVID 19 and the restrictions this brought. School purchased 'Moki bands'. Moki is an activity tracking wristband and software application that provides a safe, simple and fun way for schools to engage pupils in an active curriculum. Pupils can measure their activity on a daily basis, staff can then interrogate the data to put action plans in place to encourage children to become more active.

Resources	£2910	Purchase high quality sports equipment in order to introduce a broader range of sports	All equipment in school is of high quality in order to ensure that high quality PE lessons are able to take place. There are frequent audits of equipment completed and subsequent tailoring of orders to ensure that we have got sufficient equipment to ensure the success of our learners in PE.
TOTAL COST	<b>£17710</b>
