September 2021

Dear Parent / Carer

We hope that you have had a lovely summer holiday.

Please find below the information that you will need with regards to your child(ren) returning to school on Monday 6th September 2021.

When entering and moving around the school site please be mindful of the fact that the roofing works are still continuing and therefore scaffolding is in place around the Key Stage 1 building. The contract is running to time and should be completed by October half term. At some point in the coming weeks the scaffolding will be removed from the Key Stage 1 building and erected around the office block to enable replacement of the roof on that building. Should there be any changes to entry and exit arrangements to facilitate this we will let you know via email.

TIMINGS OF THE DAY
