

**KEXBOROUGH PRIMARY SCHOOL : RSE PARENT / CARER CONSULTATION**

Relationship education will become mandatory in 2020 and the Department for Education recommends that primary schools also have a sex education program of work. Over the summer we will be reviewing our policy and curriculum in both of these areas and as part of this we are sending out this consultation document to collect and explore the views of parents and carers.

You do not have to complete the questionnaire or answer any questions that you feel uncomfortable answering. Your contribution to this consultation would be greatly appreciated and we thank you in anticipation of your help.

If you wish to complete this questionnaire please return to school by Monday 15<sup>th</sup> July 2019.
